| <b>Research Area:</b>     | Autophagy antibody Cancer Cardiovascular Cell Biology<br>Epigenetics & Nuclear Signaling Developmental Biologys<br>Immunology Drug Discovery Products Metabolism<br>Neuroscience Signal Transduction Stem Cells |
| <b>Form of Antibody:</b>  | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02%<br>sodium azide, pH 7.3.                                                                                                                              |
| <b>Storage/Stability:</b> | Aliquot and store at -20°C. Avoid repeated freeze / thaw<br>cycles.                                                                                                                                             |
| <b>Purification:</b>      | Affinity purified                                                                                                                                                                                               |
