|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Swiss-Prot No.:</b>        | Q8NBJ9                                                                                                                                                                       |
| <b>Altername:</b>             | sidt2                                                                                                                                                                        |
| <b>Immunogen:</b>             | This SIDT2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 418-447 amino acids from the Central region of human SIDT2.          |
| <b>Purification:</b>          | Affinity purified                                                                                                                                                            |
| <b>Reactivity:</b>            | Human,Mouse                                                                                                                                                                  |
| <b>Other Names:</b>           | SID1 transmembrane family member 2, SIDT2                                                                                                                                    |
| <b>Cellular localization:</b> | Cell membrane, Lysosome, Membrane                                                                                                                                            |
| <b>Source:</b>                | Rabbit                                                                                                                                                                       |
| <b>Antibody type:</b>         | Polyclonal antibody                                                                                                                                                          |
| <b>Isotype:</b>               | Rabbit Ig                                                                                                                                                                    |
| <b>Preservative:</b>          | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |
| <b>Recommended Dilutions:</b> | WB 1:1000                                                                                                                                                                    |
| <b>Clone Number:</b>          | RB32903                                                                                                                                                                      |
