

	SYT1 Antibody	E 3 0 6 8 0 7
--	------------------------	---------------------------------

Antibody type:	Polyclonal
Reactivity:	Human.Predicted: Rat, Mus.
Immunogen:	Recombinant fragment corresponding to 224-416aa of human SYT1.
Other Names:	; P65; SVP65; SYT;
Purification:	Purified by antigen affinity column.
Form of Antibody:	Lyophilized power with 1% BSA and 0.02% NaN ³ . Or dissolved in sterile H ² O with 50% glycerol.
Isotype:	IgG
Applications:	ELISA, WB, IHC
