|                        |                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------|
| Swiss-Prot No.:        | Q96FX8                                                                                                |
| Storage/Stability:     | Store at -20°C. Avoid freeze / thaw cycles. Buffer: PBS with 0.02% sodium azide, 50% glycerol, pH7.3. |
| Immunogen:             | A synthetic peptide of human PERP (NP_071404.2).                                                      |
| Purification:          | Affinity purification                                                                                 |
| Reactivity:            | Human,Mouse                                                                                           |
| Other Names:           | —                                                                                                     |
| Background:            | —                                                                                                     |
| Gene ID:               | 64065                                                                                                 |
| Source:                | Rabbit                                                                                                |
| Antibody type:         | Polyclonal Antibodies                                                                                 |
| Isotype:               | IgG                                                                                                   |
| Molecular Weight:      | 21kDa                                                                                                 |
| Recommended Dilutions: | WB 1:200 - 1:2000                                                                                     |
