

	<h1>PRCP Antibody</h1>	E 9 4 0 4 0
--	------------------------	----------------------------

Storage/Stability:	/ Stability-20°C/1 yearHuman Gene ID5547Human Swiss-Prot No.P42785Mouse Swiss-Prot No.Q7TMR0
Purification:	The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.
Specificity/Sensitivity:	PCP Polyclonal Antibody detects endogenous levels of protein.
Reactivity:	H M
Applications:	WB ELISASignal Pathway54Observed band (KDa)54
Source:	Rabbit
Gene Name:	PRCP PCPProtein NameLysosomal Pro-X carboxypeptidase (EC 3.4.16.2) (Angiotensinase C) (Lysosomal carboxypeptidase C) (Proline carboxypeptidase) (Prolylcarboxypeptidase) (PRCP)
Dilution:	WB 1:500-2000 ELISA 1:5000-20000
Formulation:	Liquid in PBS containing 50% glycerol, and 0.02% sodium azide.
