

## Product description

|                     |  |
|---------------------|--|
| Order number        | 51.1703.025  |
| Product description | Formalin Set 25 ml, consisting of Formalin System with 450 ml formaldehyde solution (4%) and 50 S-Monovettes 25 ml |

## Product characteristics

|                           |                                   |
|---------------------------|-----------------------------------|
| Type of preparation       | Buffered formalin solution 450 ml |
| Preparation concentration | 4 %                               |
| Label/ Print              | With paper label                  |
| Application               | Tissue fixation                   |

## Size

|                   |        |
|-------------------|--------|
| Width of product  | 98 mm  |
| Length of product | 330 mm |

## Purity & certification

|                            |         |
|----------------------------|---------|
| Product in accordance with | IVD     |
| MDD or IVDD                |         |
| CE certified               | CE      |
| Lot or serial number       | batched |
