

### **Product description**

|                     |                                                                                                                                                      |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Order number        | 83.3931.041                                                                                                                                          |
| Product description | TC insert for 12 well plate, PET membrane bottom, transparent, pore size 0.4 µm, sterile, non-pyrogenic/endotoxin-free, non-cytotoxic, 1 pc./blister |

### **Product characteristics**

|                |                     |
|----------------|---------------------|
| Suitable for   | 83.3921.xxx         |
| Base shape     | Flat base           |
| Growth area    | 1,1 cm <sup>2</sup> |
| Volume of work | 0,2-0,8 ml          |
| Pore size      | 0,4 µm              |

### **Material & colours**

|                   |                                  |
|-------------------|----------------------------------|
| Membrane material | Polyethylene terephthalate (PET) |
| Frame material    | Polystyrene (PS)                 |
