

## Anti-RT11 antibody

---

|                         |                                                                                                                                                           |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Unconjugated Rabbit polyclonal to RT11                                                                                                                    |
| <b>Model</b>            | STJ190204                                                                                                                                                 |
| <b>Host</b>             | Rabbit                                                                                                                                                    |
| <b>Reactivity</b>       | Human                                                                                                                                                     |
| <b>Applications</b>     | ELISA, WB                                                                                                                                                 |
| <b>Immunogen</b>        | Synthesized peptide derived from human RT11 protein.                                                                                                      |
| <b>Immunogen Region</b> | 10-90aa                                                                                                                                                   |
| <b>Gene ID</b>          | <a href="#">64963</a>                                                                                                                                     |
| <b>Gene Symbol</b>      | <a href="#">MRPS11</a>                                                                                                                                    |
| <b>Dilution range</b>   | WB 1:500-2000 ELISA 1:5000-20000                                                                                                                          |
| <b>Specificity</b>      | RT11 Polyclonal Antibody detects endogenous levels of protein.                                                                                            |
| <b>Purification</b>     | RT11 antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                    |
| <b>Note</b>             | For Research Use Only (RUO).                                                                                                                              |
| <b>Protein Name</b>     | 28S ribosomal protein S11, mitochondrial MRP-S11 S11mt Cervical cancer proto-oncogene 2 protein HCC-2 Mitochondrial small ribosomal subunit protein uS11m |
| <b>Molecular Weight</b> | 21 kDa                                                                                                                                                    |
| <b>Clonality</b>        | Polyclonal                                                                                                                                                |
| <b>Conjugation</b>      | Unconjugated                                                                                                                                              |

|                              |                                                                                                                                                           |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Isotype</b>               | IgG                                                                                                                                                       |
| <b>Formulation</b>           | Liquid form in PBS containing 50% glycerol, and 0.02% sodium azide.                                                                                       |
| <b>Concentration</b>         | 1 mg/ml                                                                                                                                                   |
| <b>Storage Instruction</b>   | Store at -20°C, and avoid repeat freeze-thaw cycles.                                                                                                      |
| <b>Database Links</b>        | <a href="#">HGNC:14050</a> <a href="#">MIM:611977</a>                                                                                                     |
| <b>Alternative Names</b>     | 28S ribosomal protein S11, mitochondrial MRP-S11 S11mt Cervical cancer proto-oncogene 2 protein HCC-2 Mitochondrial small ribosomal subunit protein uS11m |
| <b>Cellular Localization</b> | Mitochondrion                                                                                                                                             |
