

## Anti-TRPV5 antibody

---

|                         |                                                                                                                                                                            |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Unconjugated Rabbit polyclonal to TRPV5                                                                                                                                    |
| <b>Model</b>            | STJ191548                                                                                                                                                                  |
| <b>Host</b>             | Rabbit                                                                                                                                                                     |
| <b>Reactivity</b>       | Human, Mouse, Rat                                                                                                                                                          |
| <b>Applications</b>     | ELISA, WB                                                                                                                                                                  |
| <b>Gene ID</b>          | <a href="#">56302</a>                                                                                                                                                      |
| <b>Gene Symbol</b>      | <a href="#">TRPV5</a>                                                                                                                                                      |
| <b>Dilution range</b>   | WB 1:500-2000 ELISA 1:5000-20000                                                                                                                                           |
| <b>Specificity</b>      | TRPV5 Polyclonal Antibody detects endogenous levels of protein.                                                                                                            |
| <b>Purification</b>     | TRPV5 antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                    |
| <b>Note</b>             | For Research Use Only (RUO).                                                                                                                                               |
| <b>Protein Name</b>     | Transient receptor potential cation channel subfamily V member 5 TrpV5<br>Calcium transport protein 2 CaT2 Epithelial calcium channel 1 Osm-9-like<br>TRP channel 3 OTRPC3 |
| <b>Molecular Weight</b> | 80 kDa                                                                                                                                                                     |
| <b>Clonality</b>        | Polyclonal                                                                                                                                                                 |
| <b>Conjugation</b>      | Unconjugated                                                                                                                                                               |
| <b>Isotype</b>          | IgG                                                                                                                                                                        |
| <b>Formulation</b>      | Liquid form in PBS containing 50% glycerol, and 0.02% sodium azide.                                                                                                        |

|                            |                                                                                                                                                                            |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Concentration</b>       | 1 mg/ml                                                                                                                                                                    |
| <b>Storage Instruction</b> | Store at -20°C, and avoid repeat freeze-thaw cycles.                                                                                                                       |
| <b>Database Links</b>      | <a href="#">HGNC:3145OMIM:606679</a>                                                                                                                                       |
| <b>Alternative Names</b>   | Transient receptor potential cation channel subfamily V member 5 TrpV5<br>Calcium transport protein 2 CaT2 Epithelial calcium channel 1 Osm-9-like<br>TRP channel 3 OTRPC3 |
