| <b>Dilution range</b>     | IHC 1:100-1:300IF 1:200-1:1000ELISA 1:40000                                                                                                                                                                                    |
| <b>Specificity</b>        | CRSP150 Polyclonal Antibody detects endogenous levels of CRSP150 protein.                                                                                                                                                      |
| <b>Tissue Specificity</b> | Ubiquitous.                                                                                                                                                                                                                    |
| <b>Purification</b>       | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                          |
| <b>Note</b>               | For Research Use Only (RUO).                                                                                                                                                                                                   |
| <b>Protein Name</b>       | Mediator of RNA polymerase II transcription subunit 14 Activator-recruited cofactor 150 kDa component ARC150 Cofactor required for Sp1 transcriptional activation subunit 2 CRSP complex subunit 2 Mediator complex subunit 14 |
