

## Anti-Eps8L2 antibody

|                           |                                                                                                                                                                                      |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>        | Rabbit polyclonal to Eps8L2.                                                                                                                                                         |
| <b>Model</b>              | STJ92964                                                                                                                                                                             |
| <b>Host</b>               | Rabbit                                                                                                                                                                               |
| <b>Reactivity</b>         | Human, Mouse                                                                                                                                                                         |
| <b>Applications</b>       | ELISA, IF, IHC, WB                                                                                                                                                                   |
| <b>Immunogen</b>          | Synthesized peptide derived from human Eps8L2                                                                                                                                        |
| <b>Immunogen Region</b>   | 10-90 aa, N-terminal                                                                                                                                                                 |
| <b>Gene ID</b>            | <a href="#">64787</a>                                                                                                                                                                |
| <b>Gene Symbol</b>        | <a href="#">EPS8L2</a>                                                                                                                                                               |
| <b>Dilution range</b>     | WB 1:500-1:2000IHC 1:100-1:300IF 1:200-1:1000ELISA 1:40000                                                                                                                           |
| <b>Specificity</b>        | Eps8L2 Polyclonal Antibody detects endogenous levels of Eps8L2 protein.                                                                                                              |
| <b>Tissue Specificity</b> | Detected in fibroblasts and placenta.                                                                                                                                                |
| <b>Purification</b>       | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                |
| <b>Note</b>               | For Research Use Only (RUO).                                                                                                                                                         |
| <b>Protein Name</b>       | Epidermal growth factor receptor kinase substrate 8-like protein 2 EPS8-like protein 2 Epidermal growth factor receptor pathway substrate 8-related protein 2 EPS8-related protein 2 |
| <b>Molecular Weight</b>   | 81 kDa                                                                                                                                                                               |
| <b>Clonality</b>          | Polyclonal                                                                                                                                                                           |

|                              |                                                                                                                                                                                      |
|------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Conjugation</b>           | Unconjugated                                                                                                                                                                         |
| <b>Isotype</b>               | IgG                                                                                                                                                                                  |
| <b>Formulation</b>           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                              |
| <b>Concentration</b>         | 1 mg/ml                                                                                                                                                                              |
| <b>Storage Instruction</b>   | Store at -20°C, and avoid repeat freeze-thaw cycles.                                                                                                                                 |
| <b>Database Links</b>        | <a href="#">HGNC:21296OMIM:614988</a>                                                                                                                                                |
| <b>Alternative Names</b>     | Epidermal growth factor receptor kinase substrate 8-like protein 2 EPS8-like protein 2 Epidermal growth factor receptor pathway substrate 8-related protein 2 EPS8-related protein 2 |
| <b>Function</b>              | Stimulates guanine exchange activity of SOS1. May play a role in membrane ruffling and remodeling of the actin cytoskeleton.                                                         |
| <b>Cellular Localization</b> | Cytoplasm                                                                                                                                                                            |
