

## Anti-Olfactory receptor 10G6 antibody

|                         |                                                                                                                       |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Rabbit polyclonal to Olfactory receptor 10G6.                                                                         |
| <b>Model</b>            | STJ94616                                                                                                              |
| <b>Host</b>             | Rabbit                                                                                                                |
| <b>Reactivity</b>       | Human                                                                                                                 |
| <b>Applications</b>     | ELISA, IF, WB                                                                                                         |
| <b>Immunogen</b>        | Synthesized peptide derived from human Olfactory receptor 10G6                                                        |
| <b>Immunogen Region</b> | 230-310 aa, C-terminal                                                                                                |
| <b>Gene Symbol</b>      | <a href="#">OR10G6</a>                                                                                                |
| <b>Dilution range</b>   | WB 1:500-1:2000IF 1:200-1:1000ELISA 1:10000                                                                           |
| <b>Specificity</b>      | Olfactory receptor 10G6 Polyclonal Antibody detects endogenous levels of Olfactory receptor 10G6 protein.             |
| <b>Purification</b>     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| <b>Note</b>             | For Research Use Only (RUO).                                                                                          |
| <b>Protein Name</b>     | Olfactory receptor 10G6 Olfactory receptor OR11-280                                                                   |
| <b>Molecular Weight</b> | 37 kDa                                                                                                                |
| <b>Clonality</b>        | Polyclonal                                                                                                            |
| <b>Conjugation</b>      | Unconjugated                                                                                                          |
| <b>Isotype</b>          | IgG                                                                                                                   |

|                              |                                                                         |
|------------------------------|-------------------------------------------------------------------------|
| <b>Formulation</b>           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| <b>Concentration</b>         | 1 mg/ml                                                                 |
| <b>Storage Instruction</b>   | Store at -20°C, and avoid repeat freeze-thaw cycles.                    |
| <b>Database Links</b>        | <a href="#">HGNC:14836</a> OMIM:NA                                      |
| <b>Alternative Names</b>     | Olfactory receptor 10G6 Olfactory receptor OR11-280                     |
| <b>Function</b>              | Odorant receptor.                                                       |
| <b>Cellular Localization</b> | Cell membrane. Multi-pass membrane protein.                             |
