

## Anti-PITSLRE antibody

|                         |                                                                                                                                                                                                                             |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Rabbit polyclonal to PITSLRE.                                                                                                                                                                                               |
| <b>Model</b>            | STJ95104                                                                                                                                                                                                                    |
| <b>Host</b>             | Rabbit                                                                                                                                                                                                                      |
| <b>Reactivity</b>       | Human, Mouse                                                                                                                                                                                                                |
| <b>Applications</b>     | ELISA, IHC, WB                                                                                                                                                                                                              |
| <b>Immunogen</b>        | Synthesized peptide derived from human PITSLRE                                                                                                                                                                              |
| <b>Immunogen Region</b> | 10-90 aa, N-terminal                                                                                                                                                                                                        |
| <b>Gene ID</b>          | <a href="#">984</a>                                                                                                                                                                                                         |
| <b>Gene Symbol</b>      | <a href="#">CDK11B</a>                                                                                                                                                                                                      |
| <b>Dilution range</b>   | WB 1:500-1:2000IHC 1:100-1:300ELISA 1:20000                                                                                                                                                                                 |
| <b>Specificity</b>      | PITSLRE Polyclonal Antibody detects endogenous levels of PITSLRE protein.                                                                                                                                                   |
| <b>Purification</b>     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                       |
| <b>Note</b>             | For Research Use Only (RUO).                                                                                                                                                                                                |
| <b>Protein Name</b>     | Cyclin-dependent kinase 11B Cell division cycle 2-like protein kinase 1 CLK-1 Cell division protein kinase 11B Galactosyltransferase-associated protein kinase p58/GTA PITSLRE serine/threonine-protein kinase CDC2L1 p58 C |
| <b>Molecular Weight</b> | 92 kDa                                                                                                                                                                                                                      |

|                            |                                                                                                                                                                                                                                      |
