

## Anti-PPP1R2P3 antibody

|                         |                                                                                                                       |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Rabbit polyclonal to PPP1R2P3.                                                                                        |
| <b>Model</b>            | STJ95204                                                                                                              |
| <b>Host</b>             | Rabbit                                                                                                                |
| <b>Reactivity</b>       | Human                                                                                                                 |
| <b>Applications</b>     | ELISA, IHC                                                                                                            |
| <b>Immunogen</b>        | Synthesized peptide derived from human PPP1R2P3                                                                       |
| <b>Immunogen Region</b> | 40-120 aa, Internal                                                                                                   |
| <b>Gene Symbol</b>      | <a href="#">PPP1R2P3</a>                                                                                              |
| <b>Dilution range</b>   | IHC 1:100-1:300ELISA 1:40000                                                                                          |
| <b>Specificity</b>      | PPP1R2P3 Polyclonal Antibody detects endogenous levels of PPP1R2P3 protein.                                           |
| <b>Purification</b>     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| <b>Note</b>             | For Research Use Only (RUO).                                                                                          |
| <b>Protein Name</b>     | Protein phosphatase inhibitor 2-like protein 3 Protein phosphatase 1, regulatory subunit 2 pseudogene 3               |
| <b>Molecular Weight</b> | 23.048 kDa                                                                                                            |
| <b>Clonality</b>        | Polyclonal                                                                                                            |
| <b>Conjugation</b>      | Unconjugated                                                                                                          |
| <b>Isotype</b>          | IgG                                                                                                                   |

|                            |                                                                                                         |
|----------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Formulation</b>         | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                 |
| <b>Concentration</b>       | 1 mg/ml                                                                                                 |
| <b>Storage Instruction</b> | Store at -20°C, and avoid repeat freeze-thaw cycles.                                                    |
| <b>Database Links</b>      | <a href="#">HGNC:16318</a> OMIM:NA                                                                      |
| <b>Alternative Names</b>   | Protein phosphatase inhibitor 2-like protein 3 Protein phosphatase 1, regulatory subunit 2 pseudogene 3 |
