

## Anti-IL-31 alpha antibody

|                         |                                                                                                                                                                                                     |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Rabbit polyclonal to IL-31Ralpha.                                                                                                                                                                   |
| <b>Model</b>            | STJ96456                                                                                                                                                                                            |
| <b>Host</b>             | Rabbit                                                                                                                                                                                              |
| <b>Reactivity</b>       | Human                                                                                                                                                                                               |
| <b>Applications</b>     | ELISA, WB                                                                                                                                                                                           |
| <b>Immunogen</b>        | Synthesized peptide derived from human IL-31Ralpha.                                                                                                                                                 |
| <b>Immunogen Region</b> | Internal                                                                                                                                                                                            |
| <b>Gene ID</b>          | <a href="#">133396</a>                                                                                                                                                                              |
| <b>Gene Symbol</b>      | <a href="#">IL31RA</a>                                                                                                                                                                              |
| <b>Dilution range</b>   | WB 1:500-1:2000ELISA 1:40000                                                                                                                                                                        |
| <b>Specificity</b>      | IL-31Ralpha Polyclonal Antibody detects endogenous levels of IL-31Ralpha protein.                                                                                                                   |
| <b>Purification</b>     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                               |
| <b>Note</b>             | For Research Use Only (RUO).                                                                                                                                                                        |
| <b>Protein Name</b>     | Interleukin-31 receptor subunit alpha IL-31 receptor subunit alpha IL-31R subunit alpha IL-31R-alpha IL-31RA Cytokine receptor-like 3 GLM-R hGLM-R Gp130-like monocyte receptor Gp130-like receptor |
| <b>Molecular Weight</b> | 83 kDa                                                                                                                                                                                              |
| <b>Clonality</b>        | Polyclonal                                                                                                                                                                                          |

|                            |                                                                                                                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Conjugation</b>         | Unconjugated                                                                                                                                                                                        |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                 |
| <b>Formulation</b>         | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                             |
| <b>Concentration</b>       | 1 mg/ml                                                                                                                                                                                             |
| <b>Storage Instruction</b> | Store at -20°C, and avoid repeat freeze-thaw cycles.                                                                                                                                                |
| <b>Database Links</b>      | <a href="#">HGNC:18969</a> <a href="#">OMIM:609510</a>                                                                                                                                              |
| <b>Alternative Names</b>   | Interleukin-31 receptor subunit alpha IL-31 receptor subunit alpha IL-31R subunit alpha IL-31R-alpha IL-31RA Cytokine receptor-like 3 GLM-R hGLM-R Gp130-like monocyte receptor Gp130-like receptor |
