

## Anti-CytokeratIn 15-antibody [YN00666m] (STJA0001149)

STJA0001149

### GENERAL INFORMATION

|                          |                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------|
| <b>Product Type</b>      | Primary antibodies                                                                         |
| <b>Short Description</b> | Mouse monoclonal antibody anti-CytokeratIn 15 is suitable for use in Immunohistochemistry. |
| <b>Applications</b>      | IHC                                                                                        |
| <b>Host/Source</b>       | Mouse                                                                                      |
| <b>Reactivity</b>        | Human                                                                                      |

### PRODUCT PROPERTIES

|                            |              |
|----------------------------|--------------|
| <b>Clonality</b>           | Monoclonal   |
| <b>Clone ID</b>            | YN00666m     |
| <b>Concentration</b>       |              |
| <b>Conjugation</b>         | Unconjugated |
| <b>Purification</b>        |              |
| <b>Dilution Range</b>      |              |
| <b>Formulation</b>         |              |
| <b>Isotype</b>             |              |
| <b>Storage Instruction</b> |              |

### TARGET INFORMATION

|                           |  |
|---------------------------|--|
| <b>Gene ID</b>            |  |
| <b>Gene Symbol</b>        |  |
| <b>Uniprot ID</b>         |  |
| <b>Immunogen</b>          |  |
| <b>Immunogen Region</b>   |  |
| <b>Specificity</b>        |  |
| <b>Immunogen Sequence</b> |  |
