Material Safety Data Sheet (MSDS) for Protein

I. Identification:

Product name: Estradiol (BSA - Conjugated)

Catalog number: OOCDD00161

Supplier: Aviva Systems Biology Corporation

Address: 7700 Ronson Road, Suite 100 San Diego, CA 92111

Tel: 858-552-6979 | **Fax:** 858-552-6975 **Web:** www.avivasysbio.com

Email: info@avivasysbio.com

II. Composition, Information on Ingredients:

This product is composed of conjugated small molecules.

III. Health Hazard Data

Emergency overview: No specific hazard.

HMIS rating:

Health: 0 Flammability: 0 Reactivity: 0

NFPA rating:

Health: 0 Flammability: 0 Reactivity: 0

Routes of entry: Avoid ingestion and inhalation, avoid contact with skin, eyes.

Threshold Limit Value (TLV) and source: Data N/A. To the best of our knowledge, the chemical, physical, and toxicological properties of the components of this kit have not been thoroughly investigated.

Potential acute health effects: May cause skin, eye, or lung irritation. To the best of our knowledge, the chemical, physical, and toxicological properties of the components of this kit have not been thoroughly investigated. Allergy-prone individuals should be particularly cautious with proteins or other materials of biologic origin.

Carcinogenic effects data: N/A

Chronic effects of overexposure: N/A

Vapor pressure (mmHg): N/A

Solubility in water: Liquids readily miscible in water.

IV. Emergency and First Aid Procedures

First aid personnel should ensure self-protection.

Swallowing: If any component of this kit is swallowed, wash mouth out with water, provided person is conscious. Get medical attention.

Skin: If any component of this kit contacts the skin, immediately wash skin with soap and copious amounts of water.

Inhalation: If any component of this kit is inhaled, remove to fresh air. If not breathing, perform CPR and get immediate medical attention.

Eyes: If any component of this contacts the eyes, flush the eyes with copious amounts of water for at least 15 minutes. Assure adequate flushing by separating eyelids with fingers. Consult a physician.

V. Fire and Explosion Hazard Data

Flammability: May be combustible at high temperature.

Flashpoints: N/A

Extinguishing media: Use dry chemical.

Special firefighting procedures: Wear NIOSH/MSHA approved self-contained breathing apparatus and protective clothing.

Unusual fire and explosion hazards: None known.

VI. Accidental Release Measures

Use appropriate protective equipment and methods to clean up spilled substances promptly. Collect and dispose of all waste in accordance with applicable laws.

VII. Handling and Storage

Material may be air sensitive. They should be stored at -20 upon being received.

VIII. Exposure Controls /Personal Protection

Personal protection: Wear appropriate gloves, protective clothing and eyewear and follow safe laboratory practices.

ACGIH/OSHA Permissible Exposure Limit Data: Not determined

Engineering Controls: Make sure good indoor ventilation, eye wash and quick-drench facilities in work place.

IX. Physical Data

Physical state and appearance: Freeze-dried powder

Boiling point: N/A

Vapor pressure: N/A

Vapor density: N/A

Specific gravity: N/A

Melting point: N/A

Evaporation rate: N/A

Solubility in water: Solutions are dilutable

X. Stability/Reactivity

Stability and Reactivity: The product is stable.

Conditions to avoid: N/A

Materials to avoid: N/A

Hazardous decomposition products: N/A

XI. Toxicological Information

Irritability: N/A

Mutagenicity: N/A

Reproduction toxicity: N/A

Other toxic effects on humans: May cause slight irritation in case of eye contact, inhalation or ingestion.

XII. Ecological Information

Do not allow product to reach ground water, water course, or sewage system.

XIII. Disposal Considerations

Aviva Systems Biology Corp.
7700 Ronson Road, Suite 100
San Diego, CA 92111
www.avivasysbio.com
info@avivasysbio.com
858-552-6979

Consult local, state or national regulations for proper disposal.

XIV. Transportation information

Overland transportation (ADR/RID): The substance is subject to no limitations.

Transatlantic transportation (IMDG): The substance is subject to no limitations.

Air transportation (ICAO/IATA): The substance is subject to no limitations.

XV. Regulatory information

Observe the general safety regulations when handling chemicals. No single component contains a hazardous ingredient in an amount that requires identification and labeling.

XVI. Other information

This material is sold for in vitro use or research purposes only. It is not for any human or animal therapeutic or clinical diagnostic use.

Read instructions for use before using the product. Observe the general safety regulations when handling chemicals. Good laboratory practice (GLP) is the best preventive measure to avoid hazards. The information shall not be taken as being all inclusive and is to be used only as a guide. All materials may be present unknown hazards and should be used with caution. Since our corporation cannot control the actual methods, volumes, or conditions of use, the Company shall not be held liable for any damages or losses resulting from the handling or from contact with the product as described herein.

This information is prepared on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.

Date: 6.21.2019
