

Native Pig Insulin Protein, GMP Grade

Product Information

Cat#

Insulin-150THP

Common Name

Insulin

Product Name

Native Pig Insulin Protein, GMP Grade

Product Overview

Native Pig Insulin Protein was purified from Pig Pancreas and was produced under cGMP guidelines.

Source

Pig Pancreas

Species

Pig

Bio-activity

100 IU/ml

Molecular Mass

5795.6 Da

AA Sequence

GIVEQCCTSICSLYQLENYCNFVNQHLCGSHLVEALYLVCGERGFFYTPKT

Endotoxin

<0.001 EU/μg of the peptide by the LAL method

Applications

For the treatment of type I and II diabetes mellitus.

Native Pig Insulin Protein, GMP Grade

Usage

Type 1 or 2 diabetes mellitus

Official Symbol

Insulin

Synonyms

Insulin
